OBJECTIVE

Driven and enthusiastic web developer with expertise in JavaScript, HTML, and CSS. I'm looking for a front-end development internship to hone my abilities and provide creative, approachable solutions to projects that have an impact.

EDUCATION

- **Mohan Babu University** October 2022 - July 2026
B.Tech Computer Science
◦ GPA: 9.13/10.00 Tirupati, India
- **Narayana Junior College** July 2021
Intermediate
◦ Grade: 92.8% Anantapur, India

PROJECTS

- **Spotify Clone: (In progress)** January 2025
Tools: HTML, CSS, JavaScript 
 - Developed a dynamic interface mimicking Spotify's design, with features like play, pause, skip, and volume controls.
 - Implemented responsive design principles, ensuring seamless functionality across various devices.
 - Created custom animations and transitions for smooth navigation and enhanced user engagement.
 - Integrated playlist management features, allowing users to create, view, and manage playlists.
- **Blood Donation Web App:** November 2024
Tools: HTML, CSS, JavaScript 
 - Developed a donor search feature for users to find donors by location and blood group.
 - Implemented form validation and database connectivity to ensure seamless user registration and data storage, achieving a 100% success rate in submissions.
 - Created an interactive dashboard for displaying available blood groups, ensuring an intuitive user experience.
 - Applied RESTful APIs for dynamic data integration, enhancing real-time updates.
- **Rock Paper Scissors Game:** December 2024
Tools: HTML, CSS, JavaScript 
 - Developed a game-play logic system with random outcomes and score tracking.
 - Implement responsive UI design, ensuring playability across all screen sizes.
 - Created animated transitions for smooth interactions and user engagement.
 - Applied modular coding techniques, allowing for easy future enhancements.

SKILLS

- **Programming Languages:** C/C++, Python, Java
- **Web Technologies:** HTML, CSS, JavaScript, React and Node.js
- **Database Systems:** MongoDB, MySQL

VOLUNTEER EXPERIENCE

- **MM2k23 Organizer** October - 2023
Public Relations 
 - Organizer in MohanaMantra2k23 was organized by our university.
 - I'm the core member of the Public Relations Team
